## CORBETT VS. LEATHERMAN

"Gentleman Jim" Arraigned Before the Arkansas Judge.

**JOE VENDIG ON THE STAND**

Defendant Files a Petition Asking That He Be Released From Custody. He Is Allowed to Go to Little Rock Accompanied by a Deputy Sheriff. Attorney Teague Interviewed.

Hot Springs, Ark., Oct. 18.—Champion Corbett arrived in the city this morning at 11:20 from his training quarters at Spring Lake, and was met at the depot by Sheriff Hoyt, Manager Brady, Joe Vendig and other friends, and the officials of the Florida Athletic Club.

There was a great crowd of people at the depot to witness the arrival of the party. Corbett, Brady and the sheriff entered a carriage and drove to the office of Justice of the Peace W. A. Kirk, where everything appeared to be in readiness for the judicial proceedings that had evidently been agreed upon.

The sheriff presented his prisoner to the court. At this juncture Mr. Martin, attorney for Corbett, entered the court room and presented the following petition:

**GENTLEMAN JIM'S PETITION.**

"To Hon. Leland Leatherman, judge of the chancery court of Garland county: Your petitioner respectfully shows unto your honor that he is unlawfully restrained of his liberty by Rob. Hoyt, sheriff of Garland county, Arkansas. That said sheriff detains him by virtue of a warrant issued by W. A. Kirk, a justice of the peace, and for the said detainer, which is a crime of which he is hereto arraigned. Your petitioner further states that he has not violated any of the laws of the State of Arkansas and that he does not contemplate or intend to violate the peace or dignity of said State. Wherefore, he prays that your honor award him a writ of habeas corpus to the effect that the cause of his detention may be inquired into and for other relief."

"Subscribed and sworn to before me this day, the 17th day of October, 1895."

**WARRANT THAT WAS SERVED.**

Following is the writ which Corbett was arrested and brought before the justice of the peace:

**Warrant of Arrest.**

The State of Arkansas.

To any Sheriff, Constable, Coroner or Policeman of the State:

It appearing that there are good and sufficient grounds for believing that J. J. Corbett is about to engage, and has threatened to engage, in a glove contest and prize fight with one Robert Fitzsimmons, in Garland county, Arkansas, and that a glove contest and prize fight will be of a character endangering human life, you are hereby commanded to forthwith arrest the said J. J. Corbett and bring him before me to be dealt with according to law.

Given under my hand as Justice of the Peace for Garland County, this, the seventh day of October, 1895.

**W. A. KIRK, J. P.**

The petition of Corbett was granted, and the prisoner was arraigned before the chancery judge for arraignment on about noon. Directly after the arraignment of the prisoner before the chancery judge adjournment was taken until 1:30. At that hour the court reconvened.

**LAW OF NINETEEN-ONE ILLUSORY.**

Attorney Martin read the foregoing official documents to the court and announced that he was ready for trial. Thereafter the court adjourned until tomorrow.

Attorney Martin requested that the court adjourn until tomorrow.

**THE WHEAT CROP.**

Encouraging reports have reached the city regarding the enormous wheat crop of the West, but the writer was considerably surprised to see in the "Evening Times" that Johnston's, 729 Seventh street, are going to give away 3,000 sacks of flour on Saturday, each purchaser of one dollar's worth, or over, being entitled to a sack. I naturally supposed that this would be rather expensive, as the brand mentioned, retails at 35 cents per sack.

**ATTORNEY TEAGUE TALKS.**

A United Press reporter interviewed Prosecuting Attorney Teague this morning as to the law which gives Governor Johnston the power to send the militia for the purpose of suppressing riots or mobs.

Attorney Teague stated in effect that the Governor has no right to send militia into any county of the State without being called upon to do so by some of the civil authorities from the county in which the militia is to be called out, and that they were not to be called out until civil authorities found that they were not able to suppress the riot or mob, whenever it might be, under the circumstances.

"If the sheriff has control of troops after they have come into the county, what would be the result?"

"Well, he could make whatever disposition of them he saw proper. The law provides that the militia shall be under the control of the local peace officers and the sheriff being the local peace officer, he would have the right to call them out and keep them there until their services were necessary to suppress any mob or riot."

**ATHLETIC CLUB NOTES.**

A carnival "smoker" will be given to the gymnasts in the Columbia Athletic Club. A programme of unusual merit will be presented.

Admission to the smokers, which will be given every Saturday night, is free, and to members of the club and to contributors of the carnival only.

A meeting of delegates having in view the organization of a football team will be held to-night in the armory of the Washington Light Infantry. It is promised that there will be at least eight teams in the league this season, and it is expected that there will be a large attendance of delegates to-night.

**LOCAL SPORTING NOTES.**

Bernard Harding last evening again succeeded in defeating William Nash in the pool tourney, which has been in progress at the West End Hotel Club, at No. 1251 Third street, since the 1st of the month. The game was very close, the score standing 100 to 94 when Harding went out.

Mr. Nash wishes to issue a challenge to any man in Washington for a game of pool from 100 to 200 balls, drawn and ball.

Collector Lewis to govern for \$25 a side. The game of pool has been posted with the Times as an evidence of good faith. The challenge will remain open until Wednesday next.

Mr. Nash has been defeated by the champion of the District.

The Central High School football eleven did not relish the job they had cut out for them yesterday afternoon and did not show up for the game with the Columbia Athletic Club team.

The Columbia boys were ready for them, but but to content themselves with a light game between picked sides. The high school boys can hardly be blamed for not meeting the Columbia, as they are a much lighter team.

From the outlook last night the most of the Washington Road Club at Van Ness Park, Seventeenth and C streets, this afternoon, will be a pronounced success. All of the events have filled well and the handicapper appears to have done his work in a thorough and impartial manner.

Many of the boys who will compete in the events were at Columbia Field yesterday afternoon, and some of the trials were made. The race in which the most interest is being taken is the one-mile race for the "Columbia" trophy.

The best riders in the District are in this event, among them being Schade, Wood, Smith and Claggett. Schade is thought to have an easy thing of it, but he may slip up.

**SCHADE IS THE SCRATCH**

Two Big Assignments for Him in the Handicap Races.

Prospect of Good Sport at the Meet of the Washington Road Club at Van Ness Park.

All arrangements down to the most minute detail have now been completed for the meet of the Washington Road Club at Van Ness Park to-day, and a big crowd and splendid racing is looked for.

There have been no changes made in the way of officers or other important details from those published by The Times on Wednesday. The races will be run off in the order then given.

The handicap in the two-mile race and the half-mile race were arranged this morning. In the two-mile race they are as follows:

F. A. L. Schade, scratch; C. E. Wood, 60 yards; E. Smith, 90 yards; J. Ronsaville, 110 yards; G. S. Ball, 110 yards; H. L. Green, R. T. Wren, H. A. Rhine, R. H. Wheeler, 135 yards each; A. H. Taylor, F. S. Thompson, E. L. Burton, 150 yards each; C. L. Pease, 225 yards.

In the half-mile handicap, the men will start as follows:

F. A. L. Schade, scratch; C. E. Wood, 20 yards; T. E. Smith, 30 yards; G. S. Ball, 40 yards; C. L. Ronsaville, 45 yards; H. Z. Greer, 45 yards; R. T. Wren, 45 yards; H. A. Rhine, 45 yards; R. H. Wheeler, 45 yards; T. G. Thompson, 60 yards; E. L. Burton, 60 yards; F. E. Gussell, 60 yards; J. D. Eggleston, 75 yards; C. L. Pease, 75 yards.

Fred Schade gets a pretty stiff task in both of these events, but he is a very capable rider, and he does not complain. He is a trialist on the track, and he is a very fair horse for winning in both.

"Fred" is a new rider, and he is a very fair horse for winning in both. He is a trialist on the track, and he is a very fair horse for winning in both.

For all of the races there are about sixty entries, and they are so divided that there will be a good field of starters in each race.

**Helped to Cheer Them Up and Gave the Bookies the Blues—Finishes Were Very Tame—Dillon J. Came Out of the Stable Good and Fit. Gallatin Ramped Home.**

As the sports strolled into the betting ring of the St. Asaph track yesterday they were overcome with the feeling that something was lacking. What it was they were at first unable to tell. The touts and hustlers were wandering around in a disconsolate manner and a feeling of sadness seemed to pervade the atmosphere.

Not until the odds were posted in the first race did they realize the why and whereof of the cloud that hung over them. They suddenly dawned upon them that the absence of the one and only "Dan Donnelly" from his accustomed place on the line was what cast a spell of blues over the entire outfit. "Dan" has been the life of the ring and now that he has been forced to retire he leaves a long string of mourners behind him.

**BOOKIES ONLY TAKE ONE.**

Dan's absence must also have thrown a spell around his fellow bookies as they were in the worst kind of form after a brief struggle, which only lasted one race they let the talent get away with the balance of the events. The favorite to be set up was thrown down in the worst kind of fashion, and the bookies were left with a heavy loss.

A 7 to 10 chance scored in the next race, however, and the remaining four favorites followed in his footsteps. Western looked good enough to carry off the honors in the opening event, but he must have been attacked with a touch of the blues, as the only horse in the race that he managed to beat was Trumpeter, dog of the first water. As a surprise had to be furnished Salisbury took it into his head to run and won in a canter from Alva. They were both quoted at three.

**A HEAVY PLUNGE.**

The good thing players sprung one of their best in the second race. Elsworth was the trick and he was backed from two to one down to seven to ten. He let Ceremony set the pace to the turn where he went by her as if she was tied to a post and won in a gallop by five lengths from the second choice, Goldcup.

The talent split in the third race. Some of them fancied Contest while others thought that King Paul was good enough to run for their money. When the high sounded it was very near an even thing but Paul had slightly the best of it at two while Contest closed at 11 to 5.

The fourth favorite to win was Jesse Taral. She was the only thing that the handicappers could see in the race and no better than 6 to 5 could be had at post time. She won in a gallop by a length and a half from Tribute with Jo Jap third.

**ANOTHER TAME FINISH.**

There was another uninteresting finish in the fifth race, Gallatin, a 1 to 2 favorite, running "rings" around the other contestants and catering in three lengths to the good of Ponce de Leon with Harry M. third.

Dillon J. had not been out of the stable for a long time but he was evidently good enough to carry the money of the public as they sent him to the post a 9 to 10 favorite over Bursus and Chillon. Arrived showed in front for a short distance when the favorite passed him and won easily from Bursus.

**Down the Line.**

Owing to there being no racing at Morris Park yesterday, there were quite a number of visitors from New York at St. Asaph. Jockey Jim Murphy, Bookmakers Nelson and Fred Lowe, and Jim Villaplane were among them.

J. J. Ryan, who was ruled out of the Island track last week, for having a fight with Johnny Dietel, was reinstated yesterday. The ruling was a peculiar one, inasmuch as Ryan will not be allowed

## YOUNG FOLKS' FANCY DANCES.

Auspicious Opening of Miss Cora Shreve's School.

Miss Cora R. Shreve opened her popular dancing school for the fall season last evening by an entertainment at National Rites' armory, in which her pupils took part.

The hall was beautifully decked with flags and palms, and promptly at 8 o'clock the grand march took place, followed by a drill. A number of little boys and girls, costumed in white and scarfs with ribbons, were taken part in the picturesque maneuvers. Miss Shreve's dancing class, of every style and nation, was given by the following young people: Misses May Wilding, Harriet Emory, Mabel Chidley, Joseph Shackleford, Edith Ray, Florence Whittier, Ellen Burton, Norma Walizer, Anna Clark, Ethel Robinson, and Chris Sprower.
